What we're about

Please join to our Facebook Group
<https://www.facebook.com/groups/MSTechComm...>

One Place for Singapore-based Microsoft User Groups, run by independent Microsoft Most Valuable Professional (MVPs), industry experts focusing on Microsoft Azure, .NET Developer Technologies, Office Development, Data Platform, Visual Studio, Office 365, PowerShell, Teams, Skype For Business and SharePoint.

MVPs and Developers to share experiences, problems and solutions, as well as learn new skills, promote the adoption, and general discussion around Microsoft Technologies, Software Development, Best practices and other related topics.

Join this group to stay connected to experts and network with other technologists in Singapore
